Monday

Time	Content Area	Activity
60 min	Math	<p>1.) Complete pages 22-25 in your Iready packet. (about 30 minutes).</p> <p style="margin-left: 20px;">a.) Page 22, Students solve the equations by choosing the correct number from the boxes above the equations.</p> <p style="margin-left: 20px;">b.) Page 23, students count the block and then draw a line to the corresponding number.</p> <p style="text-align: center;">*Don't forget to take a brain break*</p> <p style="margin-left: 20px;">c.) Page 24, students draw a line to the number that matches the tens and ones.</p> <p style="margin-left: 20px;">d.) Page 25, students solve the addition number sentences.</p> <p>2.) Go to Zearn.org Or go to Prodigygames.com and play for about 20 to 30 minutes. (If your child needs their usernames and passwords please let us know. We will be checking your child's progress on these sites throughout the week.)</p>
30 min	Science	<ol style="list-style-type: none"> 1. Watch the Youtube video Day and Night https://www.youtube.com/watch?v=Wf-CRKsTYGs 2. Answer the questions on notebook paper: Why do we have day and night. 3. On the notebook paper draw a picture of the sky at night and draw a picture of the sky during the day time. <p><i>*If you need help, rewatch parts of the video!</i></p> <p><i>*Don't forget to send a picture of your work to your teacher.</i></p>

Tuesday

Time	Content Area	Activity
60 min	ELA	<p>1.) Read Greedy Fawn on pages 47-53. Talk to an adult about the main character and what happens in the story. Draw lines in the box on page 54 to divide the box into four squares. Draw a picture or write a sentence to tell what happened in the story. Tell the events in order from the beginning to the end. Don't forget to send me a picture of your work. OR Go to raz-kid on the computer. Listen 2 stories, read the stories, and take the quizzes.</p> <p>Take a Break 😊 https://www.youtube.com/watch?v=dJtjkn59CFo OR Run in place for one minute.</p> <p>2.) Go on mobymax.com and spend 15 minutes on reading foundation and 5 minutes on sight words. OR Write five words that start with wh and send me a picture.</p>
30 min	Social Studies	<p>Watch the read aloud of Franklin's Neighborhood https://www.youtube.com/watch?v=aExeUsrcBk4</p> <p>Write about a place in your neighborhood. Try to make it at least three sentences long. Tell me the name of the place, what you do there, and why you like this place. If you would like you could draw a picture of the place.</p> <p>Example: The Curly Cone is a place in my community. It has been here since I was a little girl. It opens for the summer to sell coney dogs, sloppy joes, ice cream, and other treats. I think they make the best coney dogs ever. I love going to the Curly Cone.</p> <p>Please remember to use correct capitalization and punctuation.</p>

Wednesday

Time	Content Area	Activity
60 min	Math	<p>1.) Complete pages 26- 31 in the iready packet. (about 30 minutes)</p> <p>a.) Pages 26and 27, Students will break down an addition number sentence that contains 3 numbers. They will add two numbers first, then add the third number to complete the number sentence</p> <p>. *Don't forget to take a brain break*</p> <p>b.) Pages 28-29, Students will find the missing numbers in the number sentences by drawing circles in the ten frames next to the number sentences.</p>

		<p>c.) Students or parents will read the word problems. Students will write and solve a number sentence that goes along with the story problem.</p> <p>2.) Go to Zearn.org Or go to Prodigygames.com and play for about 20 to 30 minutes. (If your child needs their usernames and passwords please let us know. We will be checking your child's progress on these sites throughout the week.)</p>
30 min	Science	<p>1.) Watch the video one daylight saving time: https://www.youtube.com/watch?v=wkXqFg6mvrI&t=75s</p> <p>2.) On your notebook paper write about what you like to do during the spring and summer evenings, since the sun is out longer. Draw a picture to go along with your writing. *Write 3 sentences and use correct punctuation.</p> <p>*Share your writing and picture with your teacher!</p>

Thursday

Time	Content Area	Activity
60 min	ELA	<p>1.) Read Describing Characters on page 55. Read Cow Tales Are We There Yet? On pages 56-63. Answer questions on pages 64-67. Don't forget to send me a picture of your question completed pages. <i>(If it is easier you can write the correct answers down on a piece of notebook paper so you only have to send one picture. Similar to the answer sheet I posted last Friday.)</i> OR Go to raz-kid on the computer. Listen 2 stories, read the stories, and take the quizzes.</p> <p>Take a Break 😊 https://www.youtube.com/watch?v=9eQgXJm8FsM OR Spin in 3 circles, do 10 jumping jacks, and 5 push-ups.</p> <p>2.) Go on mobymax.com and spend 15 minutes on reading foundation and 5 minutes on sight words. OR Write five words that start with sh and send me a picture.</p>
30 min	Social Studies	<p>Re-watch the read aloud of Franklin's neighborhood. https://www.youtube.com/watch?v=aExeUsrkBk4</p> <p>Write about one of the people in your neighborhood. Try to write at least three sentences. Tell me who the person is. What they do in your neighborhood, and why they are important. If you would like to, draw a picture of this person.</p> <p>Example: Lori is an important person in my neighborhood. She owns the pet supply store. She makes sure the pet food she sells is healthy and safe for pets. She also knows a lot about dogs and helps me when I have questions.</p>

		Make sure to use appropriate capitalization and punctuation.
Friday		
Time	Content Area	Activity
30 min.	Elective	You can find weekly Art and Social Emotional Learning (SEL) lessons on our school dojo, our school youtube channel (https://www.youtube.com/channel/UCWcNvrFovni7xcCw11FkoCw) or our school website (https://www.saginawprepacademy.com/).
120 mins.	Office Hours	At this time I will be free to answer any questions you may have. You may reach out using Class Dojo or our class Facebook page. I will also be using this time to check and see which students have been working on our websites mobymax, raz-kids, and zearn.
