

April 2, 2020

Dear Saginaw Prep Families,

In light of recent developments from Governor Whitmer, we want to reassure you that we are committed to supporting the very best academic outcomes for every child. Currently, we offer a variety of ways to keep up-to-date and in contact with us -

- **ClassDojo** - Direct connection to the classroom teacher and school
- **Facebook** - Like/Follow us for up to date information and offerings
- **YouTUBE** - Subscribe to Saginaw Preparatory Academy Channel
- **Call** - (989)752-9600 Available 9:00am-3:00pm during the week

Over the coming days we will be working to prepare and distribute student work packets directly to our families through the mail. Each envelope will include: reading and math packets that review important grade level standards, student login information to a variety of online platforms, and a resource sheet with free and available online learning resources.

Saginaw Prep has partnered with Francis Reh Academy to provide “Grab & Go” meal services during the school closure. Please check out Saginaw Preparatory Academy’s Facebook page for the most up-to-date information.

Although we can’t be with our students face-to-face, we want to do everything we can to continue to be available and present throughout this. At this time, it is our most important responsibility to come together as a community to ensure the safety and wellbeing for all. We can all do our part by following the guidelines set in place by our Governor. Please stay home and stay safe.

Respectfully,

James Kenney
School Leader
